### *Tasting Notes - New House Wines*

The UWC is delighted to feature a number of new wines from right across the world and right across the price range. Appreciating that value and quality are the keys to enjoying wonderful wines.

The Selection are superb examples of their type and exceptional value.

The notes below have been compiled to inform and tempt - and the wines to delight!

#### **Marius Blanc, Michel Chapoutier Languedoc (Terret & Vermentino)**

Brilliant and pale yellow with green tints. The nose is very open, with citrus aromas and notes of grapefruit and ripe fruit. An ample palate, rich and fruity. Well balanced acidity and ripe fruit flavours. Pairs well with cold crab, summer vegetable mini-crumbles, grilled shellfish and grilled peaches.

In winter, Marius Blanc pairs well with pesto Tagliatelle pasta and vegetables, leek pie and slow roasted guinea fowl.

#### **Cabernet de Saumur Rose, Langlois-Chateau (Cabernet Franc)**

This exceptionally summery dry Rose made wholly from selected Cabernet Franc vines offers a wealth of raspberry fruit and a fresh, leafy character. Have a glass on the terrace as an aperitif or enjoy it with a meal. This dry rose is a typical Cabernet Franc. It goes perfectly with raw vegetables, salads and grilled meat - the perfect summer wine!

#### **Armigero Sangiovese di Romagna Riserva (Sangiovese)**

Made by family run winery Casa Vinicola Botter, founded in 1928 by Carlo Botter, and now in its third generation. Their focus is very much on innovation through environmentally friendly policies.

A superb wine from the Emilia-Romagna region. Ruby red with lashings of ripe cherries, dried fruit and spice, light and fruity on the palate, a corker with a bowl of spag bol or with BBQ sauce based dishes.
